

# Huntington Funds reminds you to invest with a long-term perspective.

We all know that stocks can be volatile, but investing for the long-term may help in achieving positive returns. Historically, time in the market—not timing the market—has brought the greatest rewards.

Past performance is no guarantee of future results.

**Over time, a “big correction” can become...**

# ...just a “little dip in the road.”

## Market from 1987 through 2011
